

Moving Head Lighting System

- Model : SA-035

- Specifications

Voltage :	220-240V/110V-120V
Frequency :	50-60Hz
Rated Power Consumption :	800W
Fuse :	10A
Blub:	HMI575W
Color	6500K
Temperature:	
Channel:	14 DMX Channels
Gobo:	7 Gobos + Open
Color:	7 Colors + Open
Prism:	One Rotation 3-facet prism
Flash:	Double-plate Dimmer, flash rate 1-10 / second, speed controllable
Heat Protection:	One 100°C over heat protection thermostat
Reposition:	Pan & Tilt repositioning by Photoelectric reposition system, both have the automatic correct function
Pan Max:	450°
Tilt Max:	270°
Speed Adjustment:	Pan, Tilt 0-255 speed-controllable
Rainbow Effect:	Color wheel and Gobo wheel both have the rainbow effect
Dimensions:	Outline Size: 500x400x390mm Packing Size: 570x510x500mm
Weight:	N/W: 30.5kg G/W: 33.6kg

* Weight and dimensions indicated above are approximately.
